Faculty Development Programme

On 27 January 2025, a Faculty Development Programme was organised at A.K.D. Dharma Raja Women's College, Rajapalayam. The topic of the programme was "Feynman's Technique for Better Lectures."

The chief guest, Mr. G. Sankara narayan, Educational Consultant of our College, delivered a lecture on Feynman's Technique. He stressed the importance of effective lecturing and professional skill development for lecturers. He outlined the key aspects of Feynman's Technique, such as thorough understanding of the topic, simplifying explanations, and achieving clarity through repeated practice.

Dr. S. Jamuna, Principal, delivered Presidential address and shared her views on effective teaching and classroom interactions. Mrs. P. Meenakshi, Head of the Department of Mathematics, delivered the welcome address. Mrs. B. Jegadeeswari, Assistant Professor of Mathematics, delivered the vote of thanks.
