

# Physics Department

Sep24,2024

Our Physics Department hosted a guest lecture by Dr. S.M. Rajendran, Senior Principal Scientist at CSIR, Karaikudi.

Morning Session: Career Opportunities for Science Students from:  
AKDR Girls School(12th Science)

AKDR Boys(12th Science)

A.K.D.Dharma raja Women's College( B.Sc Physics, B.Sc Maths & B.Sc Computer Science) benefited from Dr. Rajendran's insights on:  
Post-graduation research pathways  
JRF and SRF exams

Higher education choices(12th standard)

Professional course difficulties(NET exams)

Opportunities in fisheries, B.Tech Electrochemical, and other science fields

Afternoon Session: Innovative Research Approaches  
Dr. Rajendran engaged with faculty and PG students on:

Innovative research methods

Encouraging innovation in research

This enriching session inspired to explore research opportunities and pursue science careers.
