Insightful Session on Writing a Press Release

On 9th December 2024, A. K. D. Dharma Raja Women's College, Rajapalayam organised a comprehensive session on "Writing a Press Release" at its seminar hall.

The chief guest, Mr. G. Sankaranarayan, Educational Consultant, delivered an informative speech on how to write a report for press. In that session, he emphasised the importance of regular practice in writing. He encouraged writers to start by letter writing and also listed out four key points for effective report writing, taking notes, organising words into sentence, paraphrasing and using AI tools references.

This session enlightened the young writers and provided them with practical insights. The college aims to continue hosting such informative events, fostering growth and development among its students and the wider community.
