Whosapp Programme for Computer Science Students

The Computer Science Department of A.K.D. Dharma Raja Women's College, Rajapalayam, organized a Whosapp programme on December 26, 2024.

The event's chief guest, Mr. Siddharth, Lead Business Consultant at Perpetual Company, delivered a special lecture on the growth of the IT industry, highlighting the vast array of job opportunities available for women in the field.

Mr.G.Shankarnarayanan, Educational Consultant, felicitated the chief guest. Mrs. R. Dhanalakshmi, Head of the Computer Science Department, extended a warm welcome to the gathering. Ms. Sri Adhi Pragathi, a student of the Computer Science department, proposed the vote of thanks.

The programme provided valuable insights into the evolving IT landscape and career prospects for women.
